Guest Speaker - David Lewis

After many years of crime and addiction which resulted in David being sent to prison, God has impacted his life in a huge way! Now he has a passion to see others transformed too. Over the past 10 years, he has served in various ministries but has always done the work of the Evangelist. Watching God move when someone chooses to emerge and step out into all God has for them, is his greatest joy. David uses his story in a creative way that builds a bridge for the good news of hope to be shared. He speaks in prisons, schools and churches in and around the UK and Europe. In doing this he has seen many come to know Jesus through his work. David operates under the banner of 'Emerge Ministries' whose aim is to reach out, inspire others, support change and finally, for people to emerge as the one they were born to be.
